Chemistry

STANDARDS: 2 in-depth, 3 moderate

USEFUL: 3 extremely, 2 moderately

District	Course	Edition	Standards	Useful	Comments
Kingsburg	Chemistry	2005	In-Depth	Extremely	Glencoe has lots of supplements. They also provide an indepth spreadsheet linking the text to the California and National Science standards. However you need to pick and choose assignments. The CD-rom test bank is cumbersome to use.
Porterville	Chemistry	1998	Moderate	Moderately	None
Siskiyou	Chemistry	2000	Moderate	Extremely	None
Chowchilla	Chemistry	2002	Moderate	Moderately	This book is aligned to the National Science Standards, not to the California State Science Standards
Yosemite	Chemistry	2000	In-Depth	Extremely	Good Book
