Survey results: http://www.edgateway.net/pub/cabap_docs/97

Publisher: Houghton Mifflin

Introductory Chemistry A Foundation

STANDARDS: 2 in-depth

USEFUL: 1 extremely, 1 moderately

District	Course	Edition	Standards	Useful	Comments
Desert Sands	College Prep Chem	4 th	In-Depth	Extremely	None
LAUSD	Chemistry	4 th	In-Depth	Moderately	standard curriculum: covers standards, light coverage of thermodynamics, good math problem solving and summary of major concepts, not inquiry based, lab is separate from text, good reference material, I supplement with inquiry based scenarios, connections to lives of my students, and experimental design laboratory work
