General Chemistry - An Integrated Approach

STANDARDS: 1 in-depth, 1 moderate

USEFUL: 1 extremely, 1 moderately

District	Course	Edition	Standards	Useful	Comments
Fremont	Honors Chemistry	2 nd	In-Depth	Extremely	It is a bit high level for the high school students but there is no high school chemistry book with enough depth to adequately teach Pre-AP chemistry
Mt. Diablo	Chemistry Honors	2nd 1999	Moderate	Moderately	I do not like the organization of this book at all. I'm sure there are better options. I'm looking forward to replacing it!!
