District	Course	Edition	Standards	Useful	Comments
Natomas	Life Science	2001	In-Depth	Extremely	Textbook is used for student homework. I use some of the labs out of the book as well. The textbook is supplementary to what I do in class, but useful when I do use it.
Kings Canyon	Earth Science	2002	Moderate	Extremely	text was selected because of the select bind option for the chapters. We selected chapter books that fit the earth science content standards for 9th grade.
