Conceptual Physics

STANDARDS: 3 moderate

USEFUL: 1 extremely, 2 moderately

District	Course	Edition	Standards	Useful	Comments
LAUSD	Physics	2002	Moderate	Moderately	Lots of fluff with the standards.
Chico	Physics	2002	Moderate	Moderately	Lacking in mathematical rigor but does a good job with conceptual language. Lots of examples
Private	Honors Physics	2002	Moderate	Extremely	Very good conceptually and has improved problem sets since earlier editions. Needs to incorporate more problems into the text with examples.
